

# EASY LACE SUMMER SCARF

©LEEF BLOOMENSTIEL 2016

This is a great piece of mindless knitting that results in a reversible lacy summer scarf that will be a fashionable addition to any wardrobe. Makes a great gift item. Cast on, watch a couple of movies, and you are done!

## MATERIALS

1 ball Twist by Mango Moon (15% cotton / 85% linen—50g=175yds)

1 pair US#7 knitting needles (shorts or circular, whatever you prefer)

1 US—H crochet hook (only needed if you use the crochet cast on)

**NOTE:** This scarf is knit to the length you want. You can knit until you have about a yard left to knit the final row, then the bind off row. As far as width, I suggest a sample swatch.

Increase or decrease the width in increments of 4 stitches to work the double sided lace pattern.

You can use any CAST ON technique you wish, but I prefer the crochet cast on, because it will perfectly match the knit bind off at the other end.

**CAST ON 20 stitches**

KNIT 2 rows

## BEGIN DOUBLE-SIDED LACE PATTERN

EACH AND EVERY ROW IS THE SAME: \*K2tog, YO, K2\*, repeat \* to \*

This is a lace faggoting stitch that is a 4 stitch repeat, and should end evenly each row. If you don't end the repeat evenly, check for the error before proceeding.

*Knit to the length you want.*

Knit one row.

Bind off in knit.

**WET FINISH:** Hand wash in warm water. Roll in a towel to remove the excess water. Hand block flat to dry. Lightly steam open using a pressing cloth.
